At Manzanita Public Charter School ("MPCS," "Manzanita," or the "Charter School"), scholars and parents can expect to feel safe, protected, and valued. As a public school we have the responsibility to make sure that everyone is treated with respect, dignity, and a strong sense of belonging. This handbook is a guide and outlines our expectations, principles, and shared responsibilities all of which shape our school and provide the educational opportunity you and your scholar deserve.

The simple yet powerful beliefs listed below must be our shared philosophies. They provide the learning environment that reveals a vision for what it will mean to be a literate person in the twenty-first century.

- MPCS is a school where scholars are challenged and will develop critical thinking skills.
- MPCS is a school where scholars will thrive as readers, writers, and mathematicians.
- MPCS is a school where scholars learn to create and appreciate visual and musical arts.
- MPCS is a school that celebrates diversity and character development through multiculturalism and personal responsibility.

High levels of achievement are created through commitment.
We look forward to an extraordinary school year.

MISSION

Gold Ribbon Achieving School

Manzanita Public Charter School (referred to from here as MPCS) is a high achieving and alternate choice for local families to educate their scholars in a balanced literacy program using our Strength Based Workshop Model (SBW). Manzanita is a transitional kinder through sixth grade school that has grown from approximately 200 to 460 scholars in 15 years. Our scholars have a wide variety of backgrounds including: low socioeconomic, military, second language learners, and GATE. Manzanita utilizes a workshop model in order to provide scholars with more individualized instruction time to meet scholars at their level. Manzanita values the whole child and encourages scholar participation in elective learning models. We offer an arts program, Outdoor Education, STEAM classes, a choral music program and drama club. Since inception, Manzanita has implemented a longer school day to boost scholars learning, help with closing the achievement GAP, and provide scholars with the time for elective learning models.

BELIEFS

MPCS believes that excellence in education must be created by implementing these educational viewpoints.

- Hold all scholars, parents, and teachers to the highest standards.
- Emphasize learning as a shared responsibility.
- Prepare lifelong learners that have the skills, capacity, and knowledge to assume their position in a global economy.
- Celebrate diversity through bi-literacy and multiculturalism.
- Implement effective research based instructional practices aligned to California Common Core State Standards ("CCSS").

THE MANZANITA SCHOLARLY PURSUITS

At Manzanita you will hear staff speak of scholarly behaviors or scholarly pursuits. A scholar is a person who seeks knowledge – a learner. We encourage you to ask your child, “What scholarly behavior/scholarly pursuits did you practice today?” Ask your child to name just one or two; this will help them distinguish themselves as budding scholars.

Thinking like a scholar!
A scholar has a thirst for knowledge.
A scholar takes time to ponder.
A scholar views the world from different perspectives.
A scholar sets goals.
A scholar takes risks.
A scholar uses many resources.
A scholar actively participates.
A scholar asks questions.
A scholar is curious.
A scholar perseveres and practices.

CHARTER SCHOOLS

A charter school is exempt the laws and regulations governing school districts; except where specifically noted in the law. The law requires that a public charter school be nonsectarian in its programs, admission policies or employment practice. Public charter schools may not charge tuition and may not discriminate against any individual.

NONDISCRIMINATION

MPCS does not discriminate against any scholar or employee on the basis of actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes in the California Penal Code.

The Charter School adheres to all provisions of federal law related to scholars with disabilities including, but not limited to, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 and the Individuals with Disabilities in Education Improvement Act of 2004.

MPCS is committed to providing a work and educational atmosphere that is free of unlawful harassment. The Charter School prohibits sexual harassment and harassment based upon pregnancy, childbirth or related medical conditions, race, religion, creed, color, gender, gender identity, gender expression, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, or any other basis protected by federal, state, local law, ordinance or regulation. The Charter School will not condone or tolerate harassment of any type, including bullying, discrimination, or intimidation, by any employee, independent contractor, or other person with which the Charter School does business, or any other individual, scholar, or volunteer. This policy applies to all employees, scholars, or volunteers and relationships, regardless of position or gender. The Charter School will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted.

HOMELESS SCHOLARS

The term “homeless children and youth” means individuals who lack a fixed, regular and adequate nighttime residence due to economic hardship. It includes children and youths who (42 USC 11434(a)):

Are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; are abandoned in hospitals; or are awaiting foster care placement.
2. Have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings.
3. Are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings.

5. Migratory children and unaccompanied youth (youth not in the physical custody of a parent or guardian) may be considered homeless if they meet the above definition of “homeless.”

Homeless status is determined in cooperation with the parent or guardian. In the case of unaccompanied youth, status is determined by the Charter School Liaison.

The Superintendent or designee designates the following staff person as the Charter School Liaison for homeless scholars (42 USC 11432(g)(1)(J) & ©(3)©.):

Principal

The table below compares the number of required instructional days and minutes offered at MPCS. Expanded instructional minutes give our scholars time to learn and develop critical thinking skills. Extended instructional minutes also give teachers time to implement Reading/Writing Workshops,

Mathematics, Science, Social Studies and Visual and Performing Arts aligned to the California State Standards CCSS.

SCHOLAR ATTENDANCE

In order to provide extraordinary levels of achievement, daily attendance is critical. Please plan medical appointments during school vacations or after the school day. A child who misses five (5) or more consecutive days without any notification to the school office may be withdrawn from the charter school. If a scholar accumulates excessive absences of eight (8) or more the Scholar may receive a recommendation from the principal to return to their neighborhood or exit school.

MPCS can excuse absences for: illness, bereavement, court appointment, doctor/dentist appointments, immunizations, and religious holidays.

PERFECT ATTENDANCE

We recognize individual scholars for perfect attendance each trimester at our “Scholarly Awards Assembly.” Perfect attendance is defined as NO absences. Excessive scholar tardy reports can affect perfect attendance status.

SCHOLAR ABSENCES

If your scholar is ill, it is important that you call the administration office on the day of the absence. Please contact us at (805) 734-3008. We encourage you to inform your scholar’s teacher so they can update you on activities and missed assignments.

Upon returning to school following an absence of three (3) or more days for a medical reason, we require parents to provide the school with a physician’s note. Please make sure that the date and reason for the absence is included. It is imperative that you inform your scholar’s classroom teacher or the principal of any medical difficulties that your child has experienced. We are committed to keeping children safe and healthy.

MANZANITA’S INDEPENDENT STUDY CONTRACT (ISC)

Manzanita Public Charter School (“Charter School”) may offer independent study to meet the short or long-term educational needs of pupils enrolled in the Charter School as approved by the superintendent or designee. No student will be permitted to participate in independent study in excess of fourteen (14) cumulative days per school year. Independent study is an optional educational alternative in which no pupil may be required to participate and is designed to teach the knowledge and skills of the core curriculum. The Charter School shall provide appropriate existing services and resources to enable pupils to complete their independent study successfully.

LATE ARRIVALS/EARLY DEPARTURES

Scholars will be considered tardy if they are more than five (5) minutes late (8:15 AM) to school. Excessive tardies (8 or more) can also lead to a possible return to the scholar’s neighborhood school. It is very important that scholars arrive to school on time; however, there are times when scholars

may be delayed. Scholars should proceed directly to class when they arrive less than 5 minutes after school start time. If your child arrives more than 5 minutes after the start of the instructional day, parents must bring them to the administration office and sign them in. If your scholar must leave early, please sign them out in the administration office.

EXTENDED LEARNING OPPORTUNITY PROGRAM (ELOP) EARLY DISMISSAL POLICY

If your scholar is absent, please contact the site coordinator or leave a message with your child's school. Students may be released for medical or religious purposes. Students may not be released or leave the program without a permission slip indicating student name, activity or specific reason they are leaving the program earlier than required. In addition, there is usually a waiting list of families who want to participate in the program and are willing to follow all policies. A scholar with irregular attendance occupies a space that another student could fill. It is understandable that unpredicted, unavoidable, extended absences occur. In this case, arrangements can be made with the site coordinator on a student-by-student basis.

DRESS CODE - SCHOLAR UNIFORM POLICY

Scholars who attend MPCS **must** wear the school uniform. The administration reserves the right to make judgments on any article of clothing or mode of dress which may disrupt learning and/or compromises a safe and orderly learning environment. School dress should not include any clothing item which makes a political statement, is offensive to others, and promotes hate of any kind.

- **Tops** – Scholars will be required to wear collared polo shirts – short or long sleeves. These polo shirts must be solid colors of either forest green or maroon. Scholars will also be permitted to wear Spirit wear and school sponsored shirts. Scholars will be allowed to wear sweaters, cardigans and sweatshirts. Scholars are permitted to wear turtlenecks under collared polo shirts.
- **Bottoms** - Scholars will be required to wear denim/jean pants, shorts, skirts, or jumpers. Bottoms can also include SOLID navy blue OR black pants. Shorts, dresses, jumpers, skirts and skorts can be no shorter than one hand-length above the knee. NO tears or holes. No sweats, printed leggings, track pants or pajamas are allowed.
- **Hats and Hoods**- Manzanita has a no hat/hood policy indoors. Hats/hoods may be worn outside at recess, PE, Outdoor Education, and on Field trips.
- **Footwear** – MPCS recommends scholars wear athletic/tennis shoes and shoes that cover the entire foot.
- If families are unable to provide a uniform shirt for their scholar, the school will provide one. Shirts will be available at the Mandatory Registration Fair or by calling the front office at (805) 734-5600.

WACKY WEDNESDAY AND MPCS SPIRIT DAYS

On scheduled Spirit Days, scholars are encouraged to participate in themed dress days. If scholars do not participate in themed dress days and choose free dress day, then appropriate school clothing is required. The expectation is that **EVERY** other school day ALL scholars **WILL** be in their school uniform.

UNIFORM VIOLATIONS

Scholars who come to school not wearing the required school uniform can call home and have a parent bring the required MPCS uniform or will be allowed to borrow appropriate attire for the instructional day. Scholars who continually violate the MPCS Uniform policy will be subject to the loss of Free Dress privileges on Wednesdays and further discipline consistent with Manzanita's suspension and expulsion policies and procedures.

FOOD SERVICE

MPCS contracts with Lompoc Unified School District ("District") for food services and will offer the National Breakfast/Lunch Program. The district will provide meals and full food service. Each breakfast and lunch will provide an entrée, fruit, and or milk. All families are required to submit an application **each school year** to establish eligibility for free/reduced meals.

MEAL COSTS

All scholars are provided a free breakfast and lunch each school day.

FREE OR REDUCED MEALS

Parents need to complete the Free/Reduced Lunch Application and return it with the first day informational packet. The actual number of completed applications provides very important information and supports State/Federal funding. Applications are available in the school office. All applications are processed with the highest level of confidentiality.

LUNCH FROM HOME

Some scholars bring their lunches to school with them. Please make sure that your scholar has their name written on the inside of their lunch bag or box. Each classroom has a large lunch box available for lunch storage. Parents are encouraged to come to school and enjoy lunch with their children as often as they would like. Please remember to sign in at the office before joining your child for lunch.

SNACK POLICY

If your scholar brings a snack to school, please provide a healthy snack (e.g., fruit, crackers, veggies). No gum, candy, soda, or caffeine drinks including energy drinks are allowed. Snacks are not allowed at lunchtime in lieu of lunch. All snacks are consumed during the BRAIN BREAK or under the direction of the classroom teacher.

CLASSROOM FOOD

Please contact the classroom teacher before bringing any type of food to the classroom to share (i.e. cupcakes, cakes, cookies). We discourage any type of food that is sugary and considered high in calories. Please consider donating a copy of your child's favorite book for the classroom library; or celebrate with apples, oranges, or creative edible vegetables snacks.

SCHOOL SAFETY

We are committed to keeping children safe. You can help us by...

1. Making sure all emergency information is current on the Parent Portal.
2. Making sure teachers, office staff, and the principal are informed of any changes with family members who can/cannot pickup your child from school.
3. Make sure your child understands important safety precautions such as no automobile rides from strangers. Speak to teacher or trusted school personnel if he or she senses danger, and stay away from unsupervised locations (classrooms or playground areas). If any child receives any threats from other scholars, report it immediately.
4. Make sure they understand that they cannot leave school grounds without permission from the office.

COMPREHENSIVE SCHOOL SAFETY PLAN

MPCS has created a Comprehensive School Safety Plan, which is reviewed and approved by the MPCS Governance Board at the beginning of each academic school year. The Comprehensive School Safety Plan Binder is located in the administration building. Our Charter School has water and limited medical supplies stored in three (3) locations on our campus. They are clearly marked as Emergency Supplies.

DISASTER PROCEDURES

Established procedures for evacuation are in place at the Charter School. Disaster procedures have been developed for emergencies such as fire, earthquakes, bomb threats, wild animal, and/or intruders. Monthly disaster preparedness drills are conducted, and Manzanita participates in the Great California Shake Out in October of each year. This statewide program helps parents and organizations prepare for earthquakes. Visit www.shakeout.org for more information.

It is important for parents, guardians, and family members to know that if an emergency occurs, scholars are released only to individuals listed on the Scholar Disaster Information Card. Be sure to update emergency information with the administration office.

Manzanita is located on the Vandenberg Air Force Base ("VAFB"). Police, fire and disaster services are provided and supported by VAFB. Your child's safety is supported by VAFB security forces.

EMERGENCY EVACUATION

Buses may be used to evacuate scholars in the case of emergencies. The sites indicated below are designated as emergency evacuation points; however, they are subject to change. It is important for parents to understand that when there is an emergency, local authority such as the Santa Barbara County Sheriff's Office, the California Highway Patrol, Lompoc Police Department, VAFB Security Forces, and VAFB Fire Officials have the authority to direct ALL evacuations. They may identify alternate evacuation sites. Scholars living in Lompoc may be evacuated to JM Park, Vandenberg

Village scholars to Village Shopping Center, and VAFB scholars to the VAFB Library. Notification of evacuation may come through the Parent Square App. Parents will be notified as quickly as possible. Parents/Guardian must register annually for Parent Square.

Please be aware that if the electricity is out at the Charter School, the school phone system will not work. Parents are encouraged to regularly check Parent Square for ongoing updates.

EDUCATIONAL ENVIRONMENT

DIRECTORY INFORMATION AND SCHOLAR RECORDS

The Family Educational Rights and Privacy Act ("FERPA"), a Federal law, requires that the School, with certain exceptions, obtain a parent/guardian written consent prior to the disclosure of personally identifiable information from your child's education records. However, the Charter School may disclose appropriately designated "directory information" without written consent, unless a parent/guardian has advised the Charter School to the contrary in accordance with this policy.

"Directory information" is information that is generally not considered harmful or an invasion of privacy if released. Directory information can be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. MPCS has designated the following information as directory information:

- Scholar's name
- Address
- Telephone listing
- Electronic mail address
- Photograph
- Date and place of birth
- Dates of attendance
- Grade level
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Degrees, honors, and awards received
- The most recent educational agency or institution attended
- Scholar ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (A Scholar's SSN, in whole or in part, cannot be used for this purpose.)

If you do not want MPCS to disclose directory information from your child's education records without your prior written consent, you must notify the Charter School in writing at the time of enrollment or re-enrollment. Please notify the principal at:

991 Mountain View Blvd.
Vandenberg AFB, CA 93437
(805) 734-5600

Scholar records maintained by the Charter School consist of any item of information directly related to an identifiable pupil, including but not limited to subjects taken, grades received, standardized test results, attendance record, and health record. Scholar records are maintained at each school where the pupil is attending. The school principal or designee is responsible for maintaining each type of scholar record and the information contained therein. Additional records, such as psychological and special education reports, are maintained at those respective offices. Except for directory information, pupil records are accessible only to parents or legal guardians, a scholar 16 years or older or having completed the 10th grade, the personnel, including independent contractors, for the Charter School who have a legitimate educational interest in the pupil and other specified persons under certain circumstances prescribed by law. Scholar records may be obtained within five (5)

business days of request by the parent/guardian. When a Scholar moves to a new school/ school district, records will be forwarded upon request of the new district within 10 school days. If you believe the school is not in compliance with federal regulations regarding privacy, you may file a complaint with the Family Policy Compliance Office of the U.S. Department of Education at 400 Maryland Avenue, SW, Washington, DC 20202-4605.

CLASSROOM ASSIGNMENTS

The principal is responsible for all classroom assignments. Parents may request a teacher for their scholar, but the principal maintains sole discretion to determine classroom assignments. **All parent requests for classroom assignments must be given in writing by May 30th of the calendar year.**

SCHOLAR SUPPLIES/INSTRUCTIONAL MATERIALS

Parents are encouraged to purchase items on the Manzanita Public Charter School Supply List; however, no student is required to purchase school supplies necessary to participate in the educational program at Manzanita. All scholars are required to bring a backpack to school each day. The school has Agenda Planners for parents/guardian to purchase. Donations of school supplies are also encouraged.

Suspension and expulsion procedures will be followed according to California Educational Code Law and/or as listed in the Manzanita Charter Board policies in the suspension/expulsion section.**

BULLYING PREVENTION

As a parent, we know you are concerned about bullying, including cyberbullying. Being alert and observant is critical since victims are often reluctant to report bullying. Many victims don't report it to their parents or teachers because they're embarrassed or humiliated. They may assume that adults will accuse them of tattling or will advise them to deal with it themselves. Some victims may believe there is nothing adults can do to get the bully to stop. If you know or suspect your child is being bullied, including cyberbullying (e.g., bullying that occurs over social media websites) please contact your child's teacher(s) or the principal right away. Keep in mind that our primary goal must be to get the bullying stopped. Knowing your own child is being victimized can evoke strong feelings; and we are here to help! We must focus on empowering your child and together we will stop the bullying.

MPCS is committed to creating a rigorous and challenging learning environment for GATE/Summit scholars.

PROMOTION/RETENTION/ACCELERATION

ALL scholars must receive a high-quality education at Manzanita. We are committed to teaching the CCSS and holding scholars to the highest possible achievement standards. For scholars who may not meet grade level standards or who exceed targeted grade level content standards, we have implemented the research based and federally encouraged Response to Intervention/ Instruction ("RTI") Model. RTI also supports scholars who exceed targeted grade level content standards. RTI is an immediate form of Instruction/Intervention. PARENT VOLUNTEER HOURS

The goal of MPCS is to continuously adhere to the philosophy that "When parents and schools work together, we make a difference in the academic achievement of children." Completing volunteer time can assist scholars and MPCS in continuing to be a thriving educational program for all our scholars. Accordingly, we recommend all families to contribute fifty (50) hours of volunteer time, which can be fulfilled in many ways (joining PTSAC is a good start). We are certain you will have many opportunities to complete the volunteer hours. When you sign the MPCS Compact, you are stating that you agree to the charter school philosophy and the important role volunteering plays in the public-school program. While no family can be compelled to volunteer, MPCS believes that making this commitment will contribute to the Charter School's ongoing success.

PARENT TEACHER ASSOCIATION ("PTSAC")

The PTSAC is a professional, non-profit volunteer organization committed to the well-being of all children. It believes in sharing the responsibility for educating children and includes advocating for the safety and welfare of all children and the opportunity for a quality public education for each child. All scholars are required to participate in "Bus Safety Drills" and complete the STA Conduct Agreement.

HOME TO SCHOOL/SCHOOL TO HOME SAFETY TIPS

Please talk to your child about these safety tips.

1. Always TAKE A FRIEND with you when walking to and from school. It's safer and more fun to be with your friends. Never take short cuts while walking and stay aware of your surroundings.
2. Stay with your friends while waiting at the bus stop. If anyone bothers you while going to or from school, get away from that person, and TELL an adult like your parents, guardians, or teacher. If an adult approaches you for help or directions, remember *grownups needing help should not ask children for help; they should ask other adults.*
3. If someone you don't know or feel comfortable with offers you a ride, say NO.
4. If someone follows you on foot, get away from him or her as quickly as you can. If someone follows you in a car, turn around and go in the other direction. Always be sure to TELL your parents, guardians, or another trusted adult what happened.
5. If someone tries to take you somewhere, quickly get away and yell, "This person is trying to take me away!"
6. Never leave school with someone you don't feel comfortable with. Always CHECK FIRST with your parents, guardians, or another trusted adult. If someone you don't know or feel comfortable with tells you that there is an emergency and they want you to go with them, always CHECK FIRST before you do anything. Make sure you TELL a trusted adult if you notice someone you don't know hanging around.
7. Leave items and clothing with your name visible on them at home. If someone you don't know calls out your name, don't be fooled or confused.
8. If you want to change your plans after school, always CHECK FIRST with your parents. Never play in parks, malls, or video arcades by yourself. Make sure that you always play with other

children, have your parents' or guardians' permission to play in specific areas, and always let them know where you are going to be. Never accept money or gifts from anyone until you CHECK FIRST with your parents.

9. If you go home alone after school, check to see that everything is okay before you go in. Once inside, call your parents to let them know that you are okay. Make sure you follow your "Home Alone" rules of keeping the door locked; not opening the door or talking to anyone who stops by unless the person is a trusted family friend or relative, you feel comfortable being alone with that person, and the visit has been preapproved by your parents or guardians; and not telling people who call that you are home alone. Have a neighbor or trusted adult you can call if you're scared or there's an emergency.
10. Trust your feelings. If someone makes you feel scared, uncomfortable, or confused, get away as quickly as you can and TELL an adult what happened. You deserve to feel safe, and there will always be someone who can help you.

Within three (3) days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the

compliance officer shall make arrangements for this process.

Before initiating the mediation of an unlawful discrimination, harassment, intimidation or bullying complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the Charter School's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time.

STEP 3: INVESTIGATION OF COMPLAINT

The compliance officer is encouraged to hold an investigative meeting within five (5) days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally.

The complainant and/or his/her representative shall have an opportunity to present the complaint and evidence or information leading to evidence to support the allegations in the complaint.

A complainant's refusal to provide the Charter School's investigator with documents or other evidence related to the allegations in the complaint, or his/her failure or refusal to cooperate in the investigation or his/her engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation.

The Charter School's refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

STEP 4: RESPONSE

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written report of the Charter School's investigation and decision, as described in Step #5 below, within sixty (60) days of the Charter School's receipt of the complaint.

STEP 5: FINAL WRITTEN DECISION

The Charter School's decision shall be in writing and sent to the complainant. The Charter School's decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The decision shall include:

1. The findings of fact based on evidence gathered.
2. The conclusion(s) of law.
3. Disposition of the complaint.
4. Rationale for such disposition.
5. Corrective actions, if any are warranted.
6. Notice of the complainant's right to appeal the Charter School's decision within fifteen (15) days to the CDE and procedures to be followed for initiating such an appeal.
7. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, notice that the complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies.
8. For unlawful discrimination, harassment, intimidation, or bullying complaints arising under federal law such complaint may be made at any time to the U.S. Department of Education, Office for Civil Rights.

If an employee is disciplined as a result of the complaint, the decision shall simply state that effective action was taken, and that the employee was informed of the Charter School's expectations. The report shall not give any further information as to the nature of the disciplinary action.

APPEALS TO THE CALIFORNIA DEPARTMENT OF EDUCATION

If dissatisfied with the Charter School's decision, the complainant may appeal in writing to the CDE within fifteen (15) days of receiving the Charter School's decision. When appealing to the CDE, the complainant must specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the Charter School's decision.

Upon notification by the CDE that the complainant has appealed the Charter School's decision, the Chairman or designee shall forward the following documents to the CDE:

1. A copy of the original complaint.
2. A copy of the decision.
3. A summary of the nature and extent of the investigation conducted by the Charter School, if not covered by the decision.
4. A copy of the investigation file(s); including but not limited to all notes, interviews, and documents submitted by all parties and gathered by the investigator.
5. A report of any action taken to resolve the complaint.
6. A copy of the Charter School's complaint procedures.
7. Other relevant information requested by the CDE.

The CDE may directly intervene in the complaint without waiting for action by the Charter School when one of the conditions listed in Title 5, California Code of Regulations, Section 4650 exists; including cases in which the Charter School has not acted within sixty (60) days of the date the complaint was filed with the Charter School.

CIVIL LAW REMEDIES

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation, or bullying complaints arising under state law, however, a complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5CCR 4622.
